

# Welcome *Busy Bees* 2019-2020

Dear Parents,

Welcome to the **Busy Bees**! I hope you all had a fantastic summer. My name is Miss Kelly and I will be your child's teacher for the 2019 - 2020 school year here at B.E.S.T. Learning Center along with my assistant Miss Amanda. Miss Amanda and I are so excited to have you and your family as part of our B.E.S.T. Learning Center Family! Together we will provide a safe, nurturing and educational environment for your child.

This year will be a very exciting year! As we prepare your child for Pre-K, our curriculum includes many fun and educational activities. We will be working on phonics, letter recognition, numbers, shapes, colors, writing our first names and the letters of the alphabet, self- help skills, and cognitive and social skills. Each week the children will be participating in multi-sensory activities that focus based on themes for that week.

Our Busy Bees will be working up an appetite. Therefore, please provide your child with an AM and a PM snack in addition to lunch in a brown paper bag or lunch box that is labeled with your child's first and last name. On the first day of school, please have your child bring in something special to them that is either from this summer or resembles something special that they have done over the summer. This activity will be a great way for your child to get to know their friends within our class and to help break the ice.

Every month I will be sending home a newsletter. This newsletter will help keep you up to date about the fun events, themes and activities that will be occurring throughout the month. You can also find this important information outside our classroom door labeled "Parents Corner".

I have attached a copy of our class list. Please make sure to label all items with your child's first and last name. I look forward to meeting you all at "Meet the Teacher" Orientation. To help make things easier, you may bring your child's items to school on that day. If you have any questions or concerns, please don't hesitate to contact me at any time. I will be using the remind app to keep you notified of important events and reminders in our classroom. You can download "Remind" on your phone and enter our class code @busybees02.

Sincerely,  
Miss Kelly

We are looking forward to an awesome school year!  
This is the best place to **BEE**
