COMMUNITY

Clay County is located in Northeast Florida near Jacksonville and St. Augustine. Clay County offers lakes, rivers, nature trails, parks and golf courses to keep residents outdoors year-round.

SCHOOL

HighPoint Christian Academy (HPCA) was founded in 2001 as a ministry of HighPoint Community Church providing local families a Christian education for Junior and Senior high students. Today HPCA proudly prepares students in grades 5-12 in a Christ-centered educational environment while preparing each student for college, life and ministry. We kicked off the 2017-18 school year, with a total enrollment of 70 students, with 9 students in elementary, 22 in middle school and 48 in high school. The graduating class holds 5 seniors.

ADMISSION

Admission to HighPoint Christian Academy (HPCA) requires individuals to be interviewed to determine if a student would benefit from our Christian, college preparatory program. HPCA does not discriminate against any applicant due to race, color, religion, national or ethnic origin.

GRADING SYSTEM

Individual class grades are calculated on a 100-point scale, while grade point averages are calculated on a traditional 4.0 scale at the end of each semester. HighPoint Christian Academy does not report the rank of individual students at graduating ceremony. Because classes are small, ranking does not provide a fair measure of student performance or ability.
