Frank.

I thought that I would  
answer your letter to day and  
while I answer it I will make  
one do for all of the unanswered  
letters that I have on hand. I  
have one from you and one from  
your ma rote on the 8<sup>th</sup> of last  
Nov one from your ma rote on  
the 28<sup>th</sup> of Nov and one from you  
and your ma rote on the 16<sup>th</sup> of Jan.  
On your ma's letter of the 8<sup>th</sup> she  
wanted to know if the 10<sup>th</sup> Regiment  
was in our brigade (that is Wilders Brig)  
I expect that you know more about  
them at present <sup>than I do</sup> for the last we heard
