

## Donations and Fun...

Mar. 26th, 2013

Is it possible to combine two great things at ones? Yes, in the marketing world that is the only way to go. For example: promotional concert combines fun activity and direct marketing of the product or baking day at the school with certain brands as sponsors. Everyone enjoys baking and playing with flour clouds, while connecting these fond memories with sponsor brands. Think outside the box, let people enjoy the event and enjoy your brand.

What about the Charity Event, when cause is noble and effort is collective. It doesn't have to be just a check or a donation. We can combine two great things like having fun and provide resources for a great cause. Join us for a great event of Charity Poker Game and let's have some fun...

3 Heads Media, Andion Business Solutions and Invesa Foundation would like to invite you to attend the [4th Annual "Angels vs. Devils" IGPT Poker Tournament](#) to be held at the Chateau Royal, Laval, on May 15 2013.

The event will be entertained by gorgeous angel and devil themed hostesses. In addition there will be an open bar and dinner included as well as a **grand prize of W.S.O.P. of \$10, 000 US Seat.**

All proceeds from the event will benefit: [The Giant Steps Foundation](#), an alliance dedicated to enabling the greatest number of autistic children to reach their full potential and achieve independence in society.

You can contribute to the charity efforts by purchasing a ticket. Tickets are \$225 in advance, \$240 at the door. Registration begins at 18:00.
