

ASHE Liaison 2022 Spring Board of Directors Report

Submitted By Larry Peterson

- The ASHE Annual Conference & Technical Exhibition is scheduled for July 17-20, 2022 in Boston Massachusetts. Four FHEA members are attending to meet the requirement for our ASHE Platinum award attendance at the leadership session the Sunday preceding the conference. Attending will be Lamar Bragg; President, Adam Mayle; Vice President, Larry Peterson; ASHE Liaison and Bobby Baird; Immediate Past President. The American Hospital Association will require proof of vaccinations for those attending the conference.
- The 1st Quarterly Liaison and Sustainability Webinar was held on March 9th and the slide deck has been forwarded to have it loaded on the FHEA website at [FHEA.org/Resources/Advocacy](https://www.fhea.org/Resources/Advocacy). The next scheduled webinar is on June 1, 2022 at noon CST and preceded this BOD meeting. As soon as the presentation is available it will be forwarded to have it added to the FHEA website. The balance of webinars are scheduled for September 14 and December 7, 2022. Besides the slide decks a full video recording of the webinars is available on the ASHE website at [Advocacy Liaisons/Advocacy Liaisons Community and Resources](#). You will be required to sign into view. Webinar slide decks are for member use only. Please do not share.
- Chapter presidents will be notified on June 3rd on their ASHE awards.
- Chapters must present vouchers for the ASHE conference by June 20, 2022.
- Requests for ASHE CEC's must align with CHFM and or CHC categories. Include objections of the training with your CEC requests.
- ASHE Leadership forum theme will be "Back to the Basics After the Pandemic" and be lead by past ASHE President Jeff Henne.
- Reminder that October 23-29, 2022 is National Healthcare Facilities and Engineering week.
