

**2022 February FHEA Board Meeting
Bylaws Committee Report
February 18, 2022**

We will be preparing to propose additional changes as we near the upcoming Annual Meeting, currently scheduled in June 2022. The proposed changes are related to revising the terms of officers, and any other related issues, resulting from the date change of future Annual Meetings now planned for Spring. We will have to do it then and explain that current officers that took office Jan 1, 2022, will be serving until June 30, 2023 and the next officers will serve from July 01, 2023 until the last day of the month of the scheduled Annual Meeting in 2024.

Respectfully Submitted,

Kevin Daniel, CHFM, CHE

Bylaws Committee Chair
