

2022
June FHEA Board Meeting
Bylaws Committee Report
June 01, 2022

After the required annual bylaws review, we have proposed additional changes for the upcoming Annual Meeting scheduled for June 03, 2022. The proposed changes are related to revising the terms of officers, and any other related issues, resulting from the date change of future Annual Meetings which are now planned for Spring. We have submitted the changes to all full members 10 days prior to the Annual Meeting as required in the bylaws. They were also approved by a minimum of 5 members and filed with the State Secretary at least 15 days prior to the Annual Meeting as required. A vote will be taken at the Annual meeting for passage of these bylaw changes.

We will have to explain that current officers that took office Jan 1, 2022, will be serving until June 30, 2023 and the next officers will serve from July 01, 2023 until the last day of the month of the scheduled Annual Meeting in 2024.

Respectfully Submitted,

Kevin Daniel, CHFM, CHE

Bylaws Committee Chair
