# FHEA

VOLUME XXV, NUMBER 3

FALL 2009

You can start feeling the weather beginning to change a little. I hope everyone is doing well. We have had an exciting year and have been planning our FHEA 47th Annual Meeting which will start Monday, October 26 and run through Wednesday, October 28 at the Rosen Centre in Orlando, Florida. It will be held in conjunction again with AHCA's Annual Seminar. We have lined up an exceptional panel

of speakers whose focus will be on our theme "In

a great organization and I am very proud to be a member.

Within our state, District 2 put on an excellent joint lunch in September with Marketing Professional Services (SMPS). The event was sponsored by Gilbane Building Company, Harvard Jolly and TLC Engineering for Architecture. It was held at the San Jose Country Club in Jacksonville, Florida. The theme was "Pick a Bone with AHCA" with **Skip Gregory, NCARB**, Bureau Chief of AHCA Plans and Construction. The guest speaker was **State Representative Charles E. Van Zant**. Representa-

tive Van Zant serves on the Healthcare Policy Committee and with Skip was instrumental in bringing back the 80% inspection process for hospitals. The FHEA board of directors presented Rep-

resentative Van Zant with a plaque, thanking him for his efforts in that action. Representative Van Zant's daughter **Kimberly Hanson, P.E.** of Elkins Constructors, Inc. was awarded Supporting Member of the Year for District 2 for her insight and role in putting the right people together. This reversal was a major success for healthcare and FHEA.

On a sadder note, we learned that long time member **Charlie Fuhrer, CHE**, passed away suddenly in August. Charlie was the Facilities Director at Suncoast Hospital in Largo. Our thoughts are with Charlie's family at this time. He will be missed.

Again thanks to Alethea and all the board members for their total support. I would also like to thank our members, both active and supporting, who support FHEA and us throughout the year.

## The President's Corner

JOHN WILLINGHAM, CHE, PRESIDENT

The Midst of Change". Be sure to register soon if you have not already.

I would like to thank FHEA for allowing me to attend the ASHE 46th Annual Conference and Technical Exhibition which was held August 2-5 in Anaheim, CA. I was very proud to be representing FHEA as your State President at the conference. The training and trade show were very impressive.

I had the distinct pleasure of seeing our FHEA State Secretary, **Rick Zurich, CHE**, receive the ASHE Region 4 Emerging Regional Leader Award. I also had the pleasure of accepting the ASHE Platinum Award 2008 for FHEA—our second!

Thanks again to our FHEA State Vice President, **Mike Barrow, CHE, CHFM** for putting together the application. Great job by ALL! We should all be very proud of receiving these awards. ASHE is

## Welcome New Supporting Members

A record number of individuals have joined our growing ranks since our last newsletter!
