ACCOMPLISHMENTS THIS PAST YEAR

- Developed a new website that is updated regularly and in-house
- Created Facebook and LinkedIn pages for the FHEA
- Improved registration for FHEA events and activities
- Made technical advances for the FHEA Trade Show™ with electronic selection and payment
- Brought insurance policies up to standards
- Registered the Fictitious name with state of Florida (Florida Hospital Engineer Association to Florida Healthcare Engineering Association)
- Trademarked and protected programs, names, etc.
- Produced more income revenue at the 2018 FHEA Spring Meeting
- Improved Whistle – more substantive articles and sent to members electronically
- Maintained FHEA financials for the past year at no additional charge to the association
- Provided a full-time professional office and staff
