

ASHE Liaison Spring Board of Directors Report

Submitted By Larry Peterson

- 56th ASHE Annual Conference and Technical Exhibition is July 14 – 17, 2019 in Baltimore, Maryland. Early Bird registration saves \$100 but ends on May 17th. CHFM exam will be given on Wednesday July 17th at 2:00 pm. (not included in registration cost). Unfortunately due to our pending Joint Commission Survey my organization has asked me not to attend since the week of July 15th is an open week for Joint Commission.
- No ASHE sponsored events since our last Webinar in March. The next Webinar is June 12, 2019.
- I have seen several members participating on the ASHE All Member Community Digest both as a presenter of questions as well as helping provide answers or resources to those asking for information.
- ASHE is requesting comment on CMS Ligature Risk Interpretive guidelines by May 17th.
- ASHE announced it is in the process of identifying eligible and qualified candidates to run for positions on the ASHE Board. Also Regional members for Regions 3, 6, 7, 8 and 10 as well as an Associate Member position. Information available on the ASHE web site.
- ASHE Liaison article for the Whistle was submitted and is available for publication.
