FHEA Trade Show and Annual Meeting Update: "Sustain, Strategize, and Build – Setting the Stage for the Future"

57TH
FHEA ANNUAL
MEETING AND
TRADE SHOW
October 7-9, 2019
FHEA Golf Tournament
October 6, 2019

Plans are well underway for the 57th FHEA Trade Show and Annual Meeting.

The FHEA Golf Tournament will be held at Falcons' Fire Golf Club on Sunday, October 6th. Registration at the course will begin at 7:30am, followed by a shotgun start at 8:30am. To register and/or sponsor, [click here](#).

The FHEA Trade Show will be at the Orlando Marriott World Center, October 7 – 8. This sold-out show, featuring the latest products and services, will have over 300 company representatives that you will want to meet.

On Tuesday, October 8th, the FHEA will be hosting a Casino Party Welcome Reception from 5:00 – 8:00pm at the Caribe Royale Resort (located a mile from the Marriott) for folks who are registered for FHEA Annual Meeting. You won't want to miss this fun networking event!

The FHEA Annual Meeting educational sessions will be held at the Marriott on Wednesday, October 9, from 7:00am – 3:45pm. For the complete schedule, visit <https://fhea.org/2019-fhea-annual-meeting>. ASHE has approved 6 contact hours of continuing education for our workshops.

If you have registered for the AHCA Seminar and plan to also attend the FHEA Annual Meeting on October 9th, separate registration is required.

Hotel Update: 57th FHEA Trade Show and Annual Meeting

Caribe Royale
8101 World Center Drive
Orlando, FL 32821
www.cariberoyale.com

Suite rates, with no resort fees, on a space-available basis, are:
Queen Double or Standard King: \$159 + current state and local taxes of 12.5%

Rooms at the Marriott World Center for the FHEA October Annual Meeting at the Marriott World Center in Orlando are sold out.

The FHEA, however, has been able to secure suites at the Caribe Royale located just one mile away from the Marriott. If you need a room, please **only** make reservations by contacting the Caribe Royale directly.

To make reservations at the Caribe Royale:

- Online: [Click Here](#)

- By phone: 888.258.7501

(Please identify yourself as a member of the Florida Healthcare Engineering Association in order to receive our discounted group rate)

If you were able to book a room at the Marriott, be sure to check now with the hotel to make sure the reservation is definitely confirmed and you were not put on a wait list.

Be Aware!

There are scam booking companies that may contact you and offer to make your room reservations at a lower rate. Do not be fooled – these companies are not legitimate, as you may show up at a hotel and have no room!

Please forward any messages and/or information you receive from these illegitimate companies to info@fhea.org and we will follow up with a cease and desist order.

Are You Ready for a Building Automation System?

This article was written for the FHEA/FHA's Hospital Sustainability Collaborative.

While not required by code, most new buildings are designed and specified with some level of Building Automation System (BAS). BAS can help prevent air quality/comfort issues, track system performance, and verify energy savings from improvement projects.

BAS's have come a long way from their humble beginning as a programmable thermostat and now offer nearly limitless options for monitoring, controls, and automation of our buildings.
