

FLORIDA HEALTHCARE ENGINEERING ASSOCIATION

SUPPORTING MEMBER OF THE YEAR

GUIDELINES

Any member in good standing wishing to nominate a candidate to be considered for the *Supporting Member of the Year* should present to the committee the background and accomplishments of the Supporting Member. The committee of three (3) members, appointed by the District President, will review the submitted applicants and select a candidate most suited to be the District's *Supporting Member of the Year* award nominee. The Committee will submit the name of the supporting member selected as the most deserving of this award to the District Secretary who shall forward the name and background papers of the applicant chosen to the State Secretary before the annual meeting. The State *Supporting Member of the Year* Committee will select the nominee to receive the honor. A nominee must be an active supporting member of FHEA to be considered as *Supporting Member of the Year*.
