Priorities + Goals for 2020

Coming Soon!

- ASHE Energy to Care Treasure Hunt
- Double ENERGY STAR + Energy to Care Participation
- Earn Energy to Care Awards
- Increase # of ENERGY STAR Certified Hospitals
- District Sustainability Chairs

Highlights for 2020

McRae Garage Expansion – Solar Canopy Project

- ✓ Comprised of **1,806** individual solar panels
- ✓ Will generate **\$4,187,553** in lifecycle electricity savings
- ✓ Will generate **849kW** in power
- ✓ Will generate **32,127,749 kWh** of lifecycle electricity
- ✓ Will eliminate **31,8383,599 lbs** of lifecycle CO₂ emissions

Let's Bring Some Home!

The **Energy to Care Awards** honor health care facilities that reduce energy consumption by 10% in a single year or by 15% over two years. The program also recognizes previous award winners that reduce energy consumption by 5%.

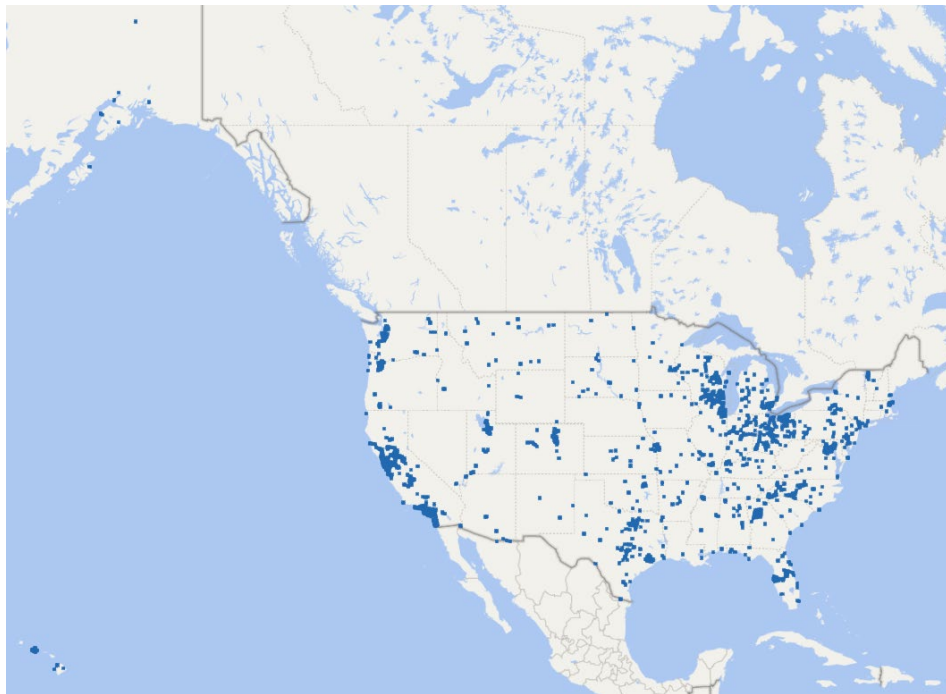

The **Energy Champion Award** is given out once per year to honor a single facility that has demonstrated outstanding leadership in energy efficiency.

Current Energy to Care Participation

OVER 3,600
Participating Facilities

**77 FL Facilities in Energy to
Care**

**57 Facilities in FHEA
Energy Star Sharing Group**
