

FHEA's HOSPITAL SUSTAINABILITY COLLABORATIVE

promoting health, lowering costs, and reducing environmental impact

New Energy Manager for FHEA Members

FHEA is pleased to introduce Michael Soforenko P.E., our new energy support contact at ecoPreserve. Michael is available to FHEA members as a no-cost resource for one-on-one assistance within the ENERGY STAR Portfolio Manager (ESPM).

Please feel free to reach out to him directly at michaels@ecopreserve.net or by phone at (443) 845-0615.

Our 2020 goals:

- Double the number of hospitals enrolled in ENERGY STAR
- Increase the number of hospitals that qualify for the ENERGY STAR label

Join us: If you'd like to participate in the FHEA's Hospital Sustainability Collaborative, please let Michael know.
