ANTEC/PRICE has two versions of room pressure monitors. In the event that we need to provide a pressure differential between clean and negative, these monitors can be furnished. PM model was replaced with a Bacnet ready PMT series. The two models for your use and a link.

These are currently being manufactured for other States and you may want the opportunity to consider this option.

**PM**  [https://anteccontrols.com/products/#PM](https://anteccontrols.com/products/#PM)  $715 each

**PMT**  [https://anteccontrols.com/products/#PMT](https://anteccontrols.com/products/#PMT)  $1450 each

Overview of a typical isolation room
