**A Letter to Our Customers Regarding the Coronavirus and Our Commitment to Safety:**

Petroleum Recovery Services is an integral part of the critical industry sectors we serve. For more than 23 years, we’ve been there when you need us. This commitment continues as we monitor the situation around COVID-19.

The fuel and tank maintenance services we provide are important, especially now. We’re taking precautions to ensure our crews are up to date on this evolving situation and capable of safely doing their jobs. We remain committed to providing you with the services you need, safely and without being exposed to or spreading germs.

***Our Commitment to You***

As our Technicians keep their appointments, they’ll maintain heightened awareness of their surroundings and adhere to sanitization basics during each service call. Their focus is to be there when promised, perform the needed services, and do so safely, with everyone’s well-being in mind.

If you require service, please feel free to contact us by email or calling. Our office personnel are working remotely and will be happy to assist you.
