NEW BETHEL CHURCH

JANUARY 19, 2020

YOUR FAMILY WORSHIP CENTER

Blessed be the name of the Lord,

“Prayer is the source of the Christian life, a Christian’s lifeline. Otherwise, it’s like having a baby in your arms and dressing her up so cute—but she’s not breathing! Never mind the frilly clothes; stabilize the child’s vital signs. It does no good to talk to someone in a comatose state. That’s why the great emphasis on teaching in today’s churches is producing such limited results. Teaching is good only where there’s life to be channeled. If the listeners are in a spiritual coma, what we’re telling them may be fine and orthodox, but unfortunately, spiritual life cannot be taught. Pastors and churches have to get uncomfortable enough to say, “We are not New Testament Christians if we don’t have a prayer life.” This conviction makes us squirm a little, but how else will there be a breakthrough with God?”

When the local body doesn’t pray together that church doesn’t have a prayer life. Blessings from your pastor,
