Ever wonder what A.S.A.P. means.

As we hurry and scurry, A.S.A.P

Always Say a Prayer.

In the midst of family chaos, "Quality Time" can be rare; But we must do our best and let God do the rest. A.S.A.P.

Always Say a Prayer.

It may seem like your worries are more than you can bear. Just slow down and take a breather, A.S.A.P.

Always Say a Prayer.

God knows how stressful life is and He wants to ease our cares and He'll respond to all your needs. A.S.A.P

Always Say a Prayer.

Blessed be the name of the Lord,

Let the Glory of God flow through you in these trying times.

As we are in the last of the last days, we see so much of the Bible prophecy being fulfilled.

In a way we are in a crisis mode because the end is on the horizon.

This is the time in which we increase our calling of God to move in the lives of our loved ones and our world.

Ask and keep on asking and you shall receive.

1 John 3:22 (AV)

22 And whatsoever we ask, we receive of him, because we keep his commandments, and do those things that are pleasing in his sight.

Keeping His commandments is keeping your faith in Christ and Him crucified; ask of Him and only Him.

This asking is a continuous asking: praying without ceasing.

Call on Him for these things and your needs, without ceasing, for He is listening and wants you to call on Him.

and Bro John*
