We are PLANTING A CHURCH

Update Letter From Robert Fletcher Adair

※ 1 Month ※

Check out the web page for more updates on ministry in Kyushu.

J-TEAM COORDINATOR

From April my role with Asian Access will be changing. While I will be back in the US for school I will be staying on in a part time role as J-Team (short term team) Coordinator. I will be involved in recruiting, screening, training, updating

training materials, and doing whatever else I can do to help with our short term teams to Japan. I first felt called to Japan as a result of J-teams. I came three times, leading 2 teams and was also involved in training 2 other teams. This is something I have experience with and a passion for.

Wheaton

Illinois here I come. Starting in June I will be entering Wheaton College in Wheaton Illinois. Wheaton is a non-denomination christian college. Billy Graham and Jim and Elizabeth Elliott are some famous graduates. I will be pursuing a masters of arts in intercultural studies. The school is just outside of Chicago so feel free to come visit me any time over the next two years.

Prayer Requests お祈りください

Here are a few points to help guide you as you pray for Japan.

Continue to pray that the two girls who made a decision for Christ will be baptized in the coming months.

Pray for Akhito, a young man who has vision to take care of my contacts after I am gone.

Pray that I can get closure and feel free to leave Minamata.

Pray that we would see a harvest in the last few weeks of ministry, and that my ministry partners will enjoy our time together.

Four People

Four weeks, four people. D-san, Y-san, I-san, and E-san. These are four of my relationships who have a real interest in the gospel. They have studied parts of the bible, come to worship, and have a real interest in spiritual things. D-san is a

large animal vet. Y-san is a senior in college. I-san and E-san are about to be seniors in high school. Join us in praying that these four people will come into a relationship with Christ and be baptized in the next few weeks.

VALENTINES

It's completely different over here. In Japan on February 14th women give men chocolate. Then on March 14th men buy cookies or other sweets for all the girls who gave them chocolate. Its fun but it was an expensive March 14th this year.

CONTINUING MINISTRY

What's going to happen in Minamata and Okuchi after I leave?

So far the hand off is going well. Two young women from the church are going to take over my Junior High English Class. Another young

guy has taken responsibility for keeping the young men connected to the Church. Things are going to change but we are working hard to make sure nobody drifts away after I leave.

ENGLISH THIS MONTH

As I write this I have about 2 weeks left for each of my English classes. It is amazing and saddening how quickly time is going by.

Our goal for the next two weeks is to find a connection for all of my english students to the church. For some people this connection will be an individual. For others it will be a continuing class. But we are committed to making sure that everyone is connected.
