**June 11, 2011**

**Pasadena Convention Center, Pasadena California**

## WELCOME TO THE SOUTHWEST REGION 2010-2011 AWARDS BANQUET

As we gather to honor this year's best cats and their owners, I think it's important to also recognize all of the hard-working club members who have volunteered their time and energy to put on all of the shows throughout the season. It is those people and those shows that have allowed us to come together here and celebrate our achievements.

I'd like to take this opportunity to thank everyone in the Region for their support during my first year as Regional Director. This is a tremendous job, and it can't be done without the help of a huge number of people. I can't begin to acknowledge them all here - all I can say is that it is my honor to serve the Region.
