CFA Breeder Assistance & Breed Rescue
is a 501(c)(3) Exempt Public Charity. Your
donations are tax deductible.

CFA Breeder Assistance & Breed Rescue

*...here to help CFA breeders and
catteries in times of need*

MISSION

The CFA Breeders Assistance Program helps breeders and catteries in times of need beyond their control. This assistance will be provided in confidence and with compassion to the individuals involved and with the well being of their cats foremost.

www.cfabreedersassist-rescue.org

BREEDER ASSISTANCE

The Breeder Assistance Program is for breeders owners of catteries who find themselves overwhelmed for various reasons. The program is a place for breeders to seek help in situations out of their control. Assistance may include advice, physical help, placement or foster care.

“Confidential” is the key word to all interactions with you, or with someone you know who seeks advice or help. You can contact the Chairperson or your Regional Coordinator, whichever gives you the comfort level you seek.

Reasons for requesting help may include:

- Temporary loss of home/acts of nature
- Personal family situations - divorce, loss of job, etc.
- Illness, temporary or permanent disability
- Number of cats beyond care capacity
- Death without provision for the animals

If you or another breeder needs help with their cats, don't hesitate to reach out to the Breeders Assist Program.

HOW YOU CAN HELP

VOLUNTEERS

There are many ways you can help both Rescue and Assistance efforts of CFA. If you can groom, especially Persians, there is a place for you. You can help a breeder that is ill or disabled to temporarily care for their cats. There is always a need for fosters; if you can't keep a cat yourself, help us find people who can.

If you are a member of a club, get involved with rescue or assistance locally. There are many levels of involvement. Pick the one that fits your club. Contact Charlene Campbell, CFA BAP-BRP VP ~ jcamp4244@aol.com

DONATIONS

These programs are solely funded by donations. If you can help support the efforts, our website www.cfabreedersassist-rescue.org has a PayPal link plus a form to donate through CFA. You can also use your own PayPal account and send to breedersassist@aol.com.

You can send donations via checks payable to BAPBR to Bobbie Weihrauch, 6152 Laurene Ave-nue, Lino Lakes, MN 55014.

Consider donations to honor a special cat, or a special friend, or in memory of a loved one lost. Clubs could consider sending donations in the name of judges for their shows instead of shop-ping for judges' gifts.

Because this is a 501(c)(3) charity, your donations are tax deductible.

BREED RESCUE

The Breed Rescue Program supports the rescue efforts of CFA. With the help of CFA member clubs and breed councils, we endeavor to ensure the safety of our recognized breeds, particularly those at risk of euthanasia in our community shelters. Our ever-growing network of concerned breeders, pet owners and fosters work with many organizations to secure the safety of all cats.

The CFA Breed Rescue Program is one that works well in the Regions because it is based on a support system made up of breeders. We realize that not all individuals have the time and space to do this kind of community service. For those who can help, there are many ways to serve including pulling, transporting, grooming, fostering, vetting and placement.

If you know of a cat at risk, please contact us. All contacts will be treated with the utmost confidentiality. We are here to serve our Cat Fancy during difficult times.
