

NEW PREMIERE BOOKING AGENCY TERMS

Please Fill out the Booking Request Form:

<https://www.premierebookingagency.com/booking>

We can pursue one artist at a time until you find an artist that will accept your offer.

Most artist want the 10% included in the fee.

50% of the deposit must be paid within 24 hours of the contract being signed and 100% of the (10%) booking Fee.

The Promoter Cannot Promote or advertise the event until the funds clear both for the artist and the booking agency (Premiere Booking Agency)

Once the Funds clear you can use the artist's name and likeness for your events/ Social campaigns/ads/Flyers/Pictures, etc.

Premiere Booking Agency will only work on the booking for 3 Business days only, of the deal does not close within that period the deal becomes null and void . The reason: there have been too many Promoters that inquire about bookings then walk away after PBA has already done work on their behalf and we do not get paid for the work that we have done

As a result Premiere Booking Agency requires a Binder Agreement which is an overview of the terms.

A Binder Agreement Fee assures that (A) The Promoter takes the booking serious (B) Assures that PBA gets paid for work into all artist inquiries

How it works: The Binder Fee is an Overview of what is filled out on the Booking Form with all parties involved

It is 10% of the 10% of the booking.

Example: If the Booking is for \$6,000 (To the Artist)

The Booking Agency Fee would be: \$600

The 10% of the 10% would be: \$60

If the Booking Goes through the artist would be paid 50% of the \$6,000, which would be \$3,000 plus the \$600 minus what was already paid for the Binder fee of \$60

What would be paid out in total after the contract is signed would be: \$3,540.

The breakdown would be: \$3,000 to the artist (50%) of the fee and \$540 for the booking Fee.

The Binder fee is Non-Refundable: It is the fee that is paid to Premiere Booking Agency (1) To send and Receive all emails (2) To negotiate Terms (3) To give Artist's Rider Information (4) Help with the Final Rider Considerations (5) give out contact information once terms are met.
