

U.S. NAVAL SEA CADET CORPS

Lone Star Squadron

Recommendation for

NLUS YOUTH MEDAL AND RIBBON with Silver Star Appurtenance

In the case of

DAWSON HUCKABEE

For service as set forth in the following citation:

“For superior performance of duty resulting in his selection as the Lone Star Squadron NSCC Cadet of the Year for 2016. Petty Officer Huckabee’s selection as the Cadet of the Year is a result of his outstanding performance, dedication, and drive to serve the unit. He has been a member of our unit since 2011 and has earned the leadership of Squadron Leading Petty Officer. PO Huckabee has proven to be dependable and efficient in carrying out his duties. PO Huckabee attended two advanced trainings during 2016: he is a Plank Owner for Field Medical and was the Leading Petty Officer for the USS Lexington CVN training, where he once again proved his leadership capabilities to be above and beyond the call of duty. PO Huckabee is active in his school and community: he takes AP classes and has earned the prestigious Garland ISD academic excellence award three years running and is in the top 15% of his graduating class. PO Huckabee is a member of his school’s FFA & Golf teams, is in the National Honor Society, and works a part-time job. His most impressive accomplishment as a young man, however, is when he was a Freshman, he went before the Garland ISD School Board and petitioned for a JRTOC program to be started at his high school. The School Board was so impressed that it was agreed upon and the Air Force JROTC program was started this school year. He has held the position of Director of Operations, Cadet Major and is now a direct assistant to his JROTC Instructors. While at drill and Color Guard activities, he consistently wears his uniform with pride and gives well above that which is asked of him at all times. PO Huckabee’s performance, initiative, and motivation are in all respects outstanding and was in keeping with the highest traditions of the United States Navy, United States Naval Sea Cadet Corps, and Lone Star Squadron.”

Approved by:

For the National President:

LCDR JAYNE BELL, NSCC
Commanding Officer
Lone Star Squadron
U.S. Naval Sea Cadet Corps

MR. RICH DRISCOLL, NLUS
Council President
Fort Worth Council
