STEWARDSHIP MOMENTS

"My child, remember that you received what was good during your lifetime while Lazarus likewise received what was bad; but now he is comforted here, whereas you are tormented. Moreover, between us and you a great chasm is established..." - LUKE 16:25-26

When God created the world He declared that it was good and He gave it to all mankind for us to enjoy. However, over the years we have created a chasm between those who have great gifts and those who do not. In today's Gospel we see that with our own generosity we must bridge that gap between those who have much and those who have little or we may find ourselves on the wrong side of the chasm in the next life.

ANOTHER FACE OF SIN. Care for the poor is a major theme in Luke's Gospel. In today's parable, Jesus speaks of two different men, poor Lazarus and a rich man. They both die. In the afterlife, their fortunes are reversed. Why?

Jesus leaves out lots of details. It is not an account of history, it's a story. Our Lord gives his listeners enough information to form some critical insights.

Our time is short. We cannot reverse our decisions once we've passed through death's door.

While we commit some sins (for ex., lying, gossip, stealing, jealousy, etc.), other sins we 'commit' simply by sitting still and doing nothing. The rich man gives us an example of this second kind of sin.

How many of us have ever heard of the difference between sins of *commission* and sins of *omission*? To sin by *commission* is to commit an act that directly hurts God, others, or self. To sin by *omission* is to stand by idly while someone is suffering. Jesus' parable today describes a failure to share as a sin of omission.

Sometimes at the beginning of Mass we recite the *Confiteor*: "I confess to Almighty God and to you, my brothers and sisters, that I have greatly sinned, in my thoughts and in my words, in what I have done (*commission*) and in what I have failed to do (*omission*)...."

We cannot spend life wringing our hands over the millions of good works we've

left undone. Still, Jesus reminds us, there are those close to our door who need our help. To turn from them is something we shall have to answer for.

Who these folks are, what these situations might be, may become clear if & when we ask the Lord to show us what we're missing. The fate of the rich man strongly suggests that it's better to ask now than to find out later.

CATHOLIC CHARITIES NORTH DAKOTA SUNDAY—

Every year a special collection is taken up throughout all the Catholic Churches of ND to support the ministries of Catholic Charities North Dakota.

Throughout North Dakota, all Catholic parishes are hearing this appeal this weekend. What an excellent way to express Jesus' encouragement today to share. Thank you for your generosity and participation.

ROOFING. MLC Construction will arrive on Monday, Sept 26, to begin their work on St. Mark's steeple and roof. Please pray for the workers' safety and a job well done that will serve the St. Mark's community for many decades to come.

A summary of how the project will be financed is as follows: The Roofing Fund Drive (to date, approx. \$59,000). Savings withdrawal (about \$27,575).

Insurance money from the storm of May, 2015 — (\$14,600 initially) an updated figure will be forthcoming once we have a close inspection of the steeple this coming week.

St. Mark's will have second collections for the parish Building Fund the first two weeks in October, then on the first Sunday of each month. Hommerding 10% matching grant (held by the Diocese of Fargo) — Parish Council recommended that we submit our application for this grant at the end of the year, at which time

we hope to receive 10% of all that we've collected. A 3% loan from the Diocese of Fargo will cover any remaining costs. The roofing/steeple crew will build a roadway across the front of the church to work on the steeple. It will probably be necessary to use alternate entrances to the church during this first part of the project. Thank you for your cooperation
