Janel Agnes is willing to teach Natural Family Planning (NFP)

Dee Bohl

Because of our age and medical issues it is very hard for us to be on our feet for long periods of time and walking.

Bill Baumann

Help with funerals where needed.

Lois Raymo

Just learned we will have new Grand Knights- maybe they could (all, new and other) be seated at a special Mass.

Feel "other younger" should step up to Ministries; and won't if Older people stay on.

Janel Agnes

Commentator - Don't know why we don't just keep the Lector doing this?

I would like to see Adoration on one Sunday evening each month for people who work during daytime.

PLEASE Consider asking Mnsgr. Sehleismann from Fargo **to come during Lent** for Parish Wide Prayer Retreat.

If we could have **a list of our parish people who need visits printed in our bulletin**, I might be able to visit some evenings.

Add Natural Family Planning to Time and Talent sheet next time. We need someone to take over eventually.

Daily Mass times/Adoration times are difficult to be attended by working people as are some other events. It may be helpful to find out who would like to help even in small ways when schedule allows or evenings. I would love to help more but schedule is crazy for the time being, but it doesn't hurt to ask me and I will if I can.

Lenny McGuire

Do NOT schedule me during June - August; we attend church at the Lake Chapel

Sharon McGuire

Social Committee - card party, bingo, Mother/Daughter Tea or lunch date, South of the Border meal (where funds go to Fr Jack/Sts Cecelia Funds); Make meals for Priests (reconciliation)

Kathy McGhan

Visit and invite parishioners to return to Church - States Maryls Richard may be interested in this. (**Refer** Services - Welcome new members/visit sick, home visits, etc.)

Help identify & prioritize maintenance needs and upkeep (cleaning of carpets, repairs, etc) As well as contact the people to carry this out within a budget(s).

NOTE: REFER TO PC COMMITTEE

Will OVERLOOK the straightening up of 1) back church room papers/chairs 2) choir loft and old choir room and 3) Sacristy

General - Refer to written in comments - Very Nice and complete Survey
