

## Instructions for Tagging Donated Items

1. **Inspect the clothing for stains, soils or tears** – Only hang clothing that is in good condition. If you wouldn't gift it, we don't want to sell it. Keep the rest in a separate bag and bring when you drop off the tagged items. We will donate the unsellable items
2. **Make outfits using same sized clothing** – The items don't need to be the same brand; they just need to look great together!
3. **Create sets of shirts, pants or onsies using items that don't fit into outfits** – Again, brand does not matter.
4. **Place and pin to hangers** – Hangers should be positioned to look like a question mark.

5. **Pin the price tags on the left should of the clothing.**

Yellow tag = \$2

Blue tag = \$3

6. **Drop off bags of tagged items on Thursday, February 23<sup>rd</sup> between 10am and 4pm.**

**Thank you for your help in making the ABC Sale a success!!**
