

REQUEST FOR PROPOSAL
To Provide Snow Plowing Service to fire stations

Release Date: August 16, 2019

Due: September 1, 2019

Background

Tri-Lakes Monument Fire Protection District is requesting proposals from qualified snow removal company for all three of our fire stations.

Station Locations-Station 1, 18650 Hwy 105, Monument

Station 2, 18460 Rollercoaster Road, Monument

Station 3, 1855 Woodmoor Drive, Monument

Scope of the Work

Work requires the spreading and installing of ice melt. Buckets of ice melt to be filled at each station. Plow to occur every 4 inches of snow or as needed throughout the course of a storm. Plow to occur in the parking lot of each station and the entire driveway in front of each bay door at each fire station.

Insurance Requirement

General Liability \$1,000,000 per occurrence
 \$2,000,000 per general aggregate
Auto Liability \$1,000,000 combined single limit.

Workers Compensation

Insurance must extend to all subcontractors as well as automotive equipment used in the performance of the job and must list the District as an additional Insured.

Proposals may be emailed to Jennifer Martin, Office Administrator, jmartin@tlmfire.org
