Subject: Re: 666

Hi xxxxxx; <smile>

The sites below were done by Moslems, alright, but I think I can get them off the internet for you. They might just disappear in a puff of smoke after I put what the Bible says about 666 on my site. <smile>

On <http://www.66619.org/thequran.htm> we read: "After research, I witnessed the number 666 (11:17) and witnessed the awesome Message; "ALLAH, Lailaheillallah."

True Christians do not believe Allah to be God, just like you do not believe Jesus to be God, so no Christian or Jew would make such a statement, and in Arabic? You've got to ne kidding.

On <http://www.66619.org/2003.htm> we read "This is how GOD created HIS Book, the Quran, 666. The Quran was revealed through Muhammad."

Christians and Jews spell Quran, Koran, so this was not done by us. It is unthinkable that any true Christian or Jew would say such a thing because we believe the Koran to be against God's book and against His people. The God of the Bible and Allah are not the same. They have different attitudes and different goals as the writings of each show. . . .

The Quran states: "O ye who believe! fight the unbelievers ... " (Sura 9:123).

The God of the Bible says: "Love your enemies."

The Quran states: "But when the forbidden months are past, then fight and slay the pagans wherever ye find them, and seize them, beleaguer them and lie in wait (ambush) for them in every stratagem (of war)" (Sura 9:5).

The God of the Bible says: "Bless them that curse you."

The Quran states: "Fight those who believe not in God [Allah] and his apostle [Muhammad], nor acknowledge the religion of truth [even if they are] of the people of the book [i.e. Jews and Christians], until they pay jizya [humiliating tax] with willing submission, and feel themselves subdued [enslaved]" (Sura 9:29).

The God of the Bible says: "Do good to them that hate you."

The Quran states: "Therefore when ye meet the unbelievers [in fight] smite at their necks; at length, when ye have thoroughly subdued them, bind a bond firmly [on them]" (Sura 47:4).

The God of the Bible says: "Pray for them which despitefully use you, and persecute you."

So you see, the Bible and the Quran teach different thoughts and a different morality. In 1984, Ayatollah Khomeini declared to the entire world: "In order to achieve the victory of Islam in the world, we need to provoke repeated crises, restored value to the idea of death and martyrdom. The important thing is to engulf the world in crises."

The God of the Bible goes on to say: "Be ye kind to one another, tender hearted, forgiving one another, even as God for Christ's sake hath forgiven you."

The point being, the God of the Bible and Allah are not the same being because One teaches man to do good and the other teaches man to do evil. One teaches love and peace, the other teaches war and hatred. One is really the Creator of the Universe and one is not.

So which one is a god worthy of worship? The One who teaches man to do good or the one who teaches man to do evil?

The Quran states: "God has no son."

Jesus said He is the Son of God and in saying, "Before Abraham was, I AM" declared himself to be God. You accept Jesus as a true prophet and true prophets do not lie.

Jesus also said: "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him, should not perish, but have everlasting life. For God sent not His Son into the world to condemn the world, but that the world through Him might be saved."

Still peace, my friend; <smile> ellis

[Dear Ellis](#)

Since you are sad to be untruthful I will try to cheer you up. The good news is that I have taken your advise & did a search on the internet for "666" & guess what I could not find ONE site on this topic that was displayed by a MUSLIM . There were NO "Moslems other that you are putting on the Internet". I am sorry to say that you are therefore not telling the truth.I have found reference to 666 in your Bible Rev. 13:18 & not in the Quran, and on reading Revelation 13 from the beginning

<http://aol.bartleby.com/108/66/13.html#18> I have discovered many important FACTS that you have conveniently ignored. The chapter read

- 1) Two Beasts
  - 2) It does not refer to the Prophet Muhammad
  - 3) "the dragon gave him his power, and his seat, and great authority. " Who is this dragon?
  - 4) The beast had two heads. Can you explain? Did the Prophet Muhammad (PBUH) have Two Heads?
    - 5)" And they worshipped the dragon which gave power unto the beast: and they worshipped the beast " The prophet Muhammad did not worship a dragon & had no powers so you are wrong once again.
    - 6)" And he opened his mouth in blasphemy against God,to blaspheme his name, and his tabernacle, and them that dwell in heaven." The prophet never blaspheme against God or the previous revelations or the prophets that came before him, in FACT The Quran & the Prophet Muhammad had only praises for God & his Prophets (PBUT) Another false claim of yours.
    - 7)" And all that dwell upon the earth shall worship him " Muslims do not worship the Prophet Muhammad (PBUH) as you worship Jesus with his half naked body on a cross displayed without respect.We have respect for ALL Prophets (PBUT)of God & do not worship them like you do. Muslims worship only GOD & respect all his messengers. How little you know about Islam.
    - 8) " And I beheld another beast coming up out of the earth " Who is this other beast, sounds like George & Tony." And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations." " And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed. "
- I am not saying that I heard for so & so or that Most Christians believe but it is out of your own Bible & in today's time as I see it, it refers to George Bush & Tony Blair. You can deny it but that is now my comprehension of this verse from your Bible & not the Quran.

This is from the internet <http://www.ishipress.com/666.htm>

[ [ I have spent much of my life wondering what the mark is that everybody will need to engage in commerce during the age of the Beast. The Japanese currency as we have seen earlier is a good candidate, but I think I may have found an even better one: a new symbol that has just recently appeared. It is none other than the "World Wide Web". In order to log on to the Web, you must input the following letters:

WWW

In the Hebrew alphabet -- Hebrew, by the way, is the language of God -- "W" (pronounced "vov") is the sixth letter of the Hebrew alphabet and, in the Hebraic number system, has traditional stood for the number 6, so WWW = 666 ]]

Is it not amazing how you have just directed me to another theory to the number 666 which you claim to refer to Islam & the Prophet Muhammad but disprove your THEORY. As I said they are theories & theories are only true if it can be proven without a shadow of doubt.

Other website on a search of 666

- 1) <http://www.wordworx.co.nz/666explain.html>
- 2) <http://www.cybertime.net/~ajgood/ch1p1.html>

- 3) <http://religion-cults.com/antichrist/mark.htm>
- 4) <http://catholic-resources.org/Bible/666.htm>
- 5) [http://www.biblewheel.com/gr/GR\\_666.asp](http://www.biblewheel.com/gr/GR_666.asp) this site refers to the Bible

I can list more but I am sure you will be able to do a search on your own on web & get them all just as I did. My point is therefore confirmed that they do not refer to Islam or the Holy Prophet Muhammad (PBUH)

There are many more theories about Islam that the enemies of God will publish either in books or internet & it is up to God through people like me to correct these lies. I am sorry to use such harsh words but I am only speaking the truth & not some concocted theory like 666.

I am reading your book & will be in touch soon. Kindly publish the truth if you believe in the One & Only GOD.

Peace  
xxxx

Peace my dear xxxxxx;

It saddens me that you think I was untruthful. My home page just paraphrases what Moslems other than you are putting on the Internet. They may not agree with your understanding of the Koran, but it is not wrong for them to say what they believe and it is not wrong for me to write about what they believe.

Now peace, my friend <smile> ellis
