Team Sports Bracketing Rules (applies to Football, Girls Volleyball, Soccer, Basketball, Softball, Baseball)

- Team listed on top of the pairing is the designated home team for the purpose of uniform color only
 - Bracket Pairings are done with a Modified Regional Crossover Scheduling
1. Break all region ties to determine a definitive order of finish. (See District 10 Tiebreaker in Handbook)
 2. Determine the top four seeded teams and place in bracket.
#1,2,3 and 4 seeds must come from Region Champions and 2nd place teams
 3. A region's top two teams cannot be bracketed in the same half of the brackets. The top two teams from the same region can only meet in the finals
 4. Cross bracket where possible so no two teams from the same region play in the opening round.
Seed #1 paired against lowest eligible team in Region standing from another Region except where #1 receives bye.
Seed #2 paired against next eligible team in Region standing from another Region except where #2 receives bye.
Continue in a similar manner until brackets are complete. To determine the lowest ranking team from another Region when there are 3 or more regions in play utilize the District 10 Ranking Index. Example: Region 2, 4 and 5 are all AA soccer teams. The Region 2 champion is the number one seed. The last qualifying teams in region 4 and 5 are compared using the District 10 Ranking Index. The lowest in the ranking of those two teams is paired against the number 1 seed.
 5. In no case will a team who finishes below another team of the same classification in the same region be bracketed above that team.
 6. The bracket position for teams that opt out will be left blank.
 7. In the event a qualifying school opts out of the playoffs the remaining team in the pairing will have a bye.
 8. Failure to complete and submit the District 10 Ranking Index on line Form by the deadlines indicated may result in team being placed in a lower seeding position or be totally eliminated from the tournament. Schools that play out of state teams must call that school to get enrollment for grades 10, 11 and 12 and CONVERT to a PIAA Classification.
- *Utilize as a tool the District 10 Ranking Index

Reporting of Scores for the round of 16. A Hosting school representative, following the completion of the game, must text the score to 724-301-6798.

 5. Schools may opt out of hosting in the round of 16 by notifying the Tournament Director by the DATE indicated in the Tournament Packet. In the event a school opts out of hosting the remaining team in the pairing will be given the opportunity to host.

Purpose of Competitive Spirit: Competitive Spirit was adopted by the PIAA Board of Directors, effective July 1, 2012, as an opportunity to expand competitive opportunities for girls. All eligibility provisions of the PIAA By-Laws are applicable to student-athletes of competitive spirit squads, with the exception of a PIAA-defined competitive spirit season: Season – Competitive spirit has no defined season. Competitive spirit squads may not Practice or participate in any Inter-School Practice, Scrimmage, and/or Contest on more than six days in any Calendar Week. With that limitation, they may participate in Practices, Inter-School Practices, Scrimmages, and/or Contests at any time and at the discretion of the Principal of the competitive spirit squad's member school. There is no maximum number of Inter-School Practices, Scrimmages, and/or Contests in which a competitive spirit squad may participate.

Governance: PIAA Board of Directors has adopted the NFHS Spirit rules book. PIAA in conjunction with Universal Cheerleaders Association (UCA) and American Association of Cheerleading Coaches and Administrators (AACCA) will develop the format for the PIAA Competitive Spirit Championships. UCA is the founding member of the American Association of Cheerleading Coaches and Administrators, a non-profit educational association for the over 70,000 cheerleading coaches across the United States. Founded in 1988, AACCA is the recognized standard of care for all cheerleading activities. UCA is dedicated to the safe and responsible practice of cheerleading, and all UCA Instructors are AACCA Safety Certified and use the AACCA Safety Manual as a teaching guide and resource. UCA also implements the AACCA safety guidelines at camps and competitions and encourages all coaches to become AACCA Safety-Certified. AACCA certification is available in all 50 states by taking the accredited 4 hour course and, upon completion, remains in effect for 4 years. Over 20,000 coaches have been AACCA certified since 2000. On the high school level, AACCA certification is already a requirement to complete the Bronze Level NFHS Spirit Coaches Education Program.

Contest Officials: Competitive spirit judges do not register with PIAA. They are retained by the Tournament organizers under standards set by the Tournament organizers and will utilize NFHS spirit rules. PIAA Competitive Spirit judges will be contracted by UCA. Judges will have extensive training in coaching, choreography and championship judging.

No Protest Rule: Under PIAA there can be no protest of Contests as follows: "The Board of Directors and District Committees will not consider any protests in Contests, which are based on play situations or officials' decisions involving interpretation or judgment of plays. In no case will the results of a Contest be reversed nor will a Contest be ordered or permitted to be replayed. Questions regarding interpretation of rules or judgment of officials should be submitted in writing to the Executive Director."

Uniforms/Jewelry: A coach shall not permit a team to participate if, in the judgment of the coach, the participant's hairstyle or fingernails do not conform to NFHS and PIAA rules. It is required that participating member schools dress and equip their Teams pursuant to National Federation of State High School Associations (NFHS) Spirit Rules 2-3.

1. Uniforms shall be functional and meet the school's approval. Apparel must also be safe and conducive to safe physical activity. All midribs and torsos must be covered.
2. For safety reasons, sequins/glitter are not allowed on uniforms. In addition to safety consideration, sequins/glitter are not functional or necessary.
3. Glitter that does not readily adhere to the body or face is prohibited. A sign that has glitter that is sealed by laminate or other means is permitted.
4. Jewelry is prohibited. This includes all jewelry worn on any part of the body. No body piercing jewelry is allowed. Jewelry must be removed, covering with band aids is not sufficient. Leather, string, etc., placed in the holes created by body piercing are not allowed. If religious or medical medals are worn, they shall be taped to the body under the uniform.

Routine: Overall time of routine is 2 minutes and 30 seconds and must include a cheer. The cheer can be stand alone or can be done over music. Teams cheering over music will still be accountable for satisfying the components of the "CHEER" portion of the score sheet. (ex: A cheer consisting of only motions performed to music will score a ZERO in "use of skills."). Be sure to read over the score sheet specifics on the cheer portion.

Floor Size: 54 feet wide by 42 feet deep and all participants must start with at least one foot (hand) on the performance surface. Sign and props can be placed off the performance floor, but participants cannot step off during the routine to get them.

Injuries on the floor: Routine can be stopped by competition officials, advisor/coach of the team or the individual. Competition officials (in conjunction with the coach and individual) will decide if team will be allowed to perform at a later time. The spot where the re-performance will take place is up to the discretion of the competition officials and coaches (taking all issues into consideration).

Penalties for infractions: Stepping out of bounds would be .5 point per occurrence (off the total score). Going over any of the time restrictions would be a 3 point deduction off the total score. Illegal skills performed on the floor: 10 points off the total score.

POLICY STATEMENT FOR MEMBER SCHOOLS WITH CONDITIONS OF ENTRY INTO PIAA DISTRICT TEN CHAMPIONSHIP PIAA District member schools are not required to enter a team into PIAA District Ten Championship events. Entry and participation by member schools in the tournament sponsored by PIAA District Ten are totally voluntary. Entry of a team or individual competitor by a member school into a PIAA District Ten tournament signifies that the member school accepts the conditions and provisions that are inherent with the tournament rules, regulations and guidelines. Further, a member school accepts the fact that the PIAA District Ten Chairman, Executive Committee, Tournament Director and District Ten Committee reserves the right to make changes in the management schedule, sites, dates, times and operations of championships when in their judgment it becomes necessary to do so.
