

Greetings to all District 10 Cross Country coaches;

I would first like to apologize for the tardiness of this year's D-10 Cross Country Championship information packet. I've had quite a few irons in the fire and am now just getting caught up on the things that need to be done. Again, sorry if this has caused you any inconvenience.

Buhl Park will once again be hosting our championship races and hopefully the good weather will stay with us and we'll all have a great day.

Please notice the addition of Dan Keefer to the information packet. Dan will be running the show this year as I will be in South Korea for my son's wedding. Dan is an experienced cross country and track coach from Union City and is looking forward to assisting with this event. I will be unavailable after October 15 so please contact Dan if you have questions or need assistance.

The District 10 AAA girls will again be running in the District 6 event in Sidman, PA. Saturday, October 28 11:00, info to follow as it becomes available. This is because we only have 2 teams, McDowell and Erie High School; we need a minimum of 4 teams to run them in our race. Could change for next year, we'll keep our fingers crossed.

Good Luck.
