# Lonza – Portsmouth, NH

---

*Looking to fill manufacturing positions and internships.*

Lonza is one of the world's leading and most-trusted suppliers to the pharmaceutical, biotech and specialty ingredients markets. We harness science and technology to create products that support safer and healthier living and that enhance the overall quality of life.

Not only is Lonza a custom manufacturer and developer, we also offer services and products ranging from active pharmaceutical ingredients to drinking water sanitizers, from nutritional and personal care ingredients to agricultural products, and from industrial preservatives to microbial control solutions that combat dangerous viruses, bacteria and other pathogens. Lonza aims to be the partner of choice for its pharma and consumer healthcare customers with service offerings all along the Healthcare Continuum™.

The company is organized into two market-focused segments: Pharma&Biotech and Specialty Ingredients. The core competencies that span these segments are advanced manufacturing and quality-control systems, superior regulatory expertise, in-depth market knowledge, and extensive technical customer-support and R&D capabilities.
