

# Now Hiring!

Do you want to work in Manufacturing? Do you want to be part of a growing company?

We have openings on the following shifts:

2nd - 2:30pm to 10:30pm

3rd - 10:30pm to 6:30am

New product line started processing in March - great time to get into this new exciting field in Dover.

Possible areas to work in as a Manufacturing Operator:

- Furnish room requires employees to mix up 2000 gallons of solutions to feed 4 different forming lines. Employees need to be able to follow recipes/instructions on each different product line. Knowledge of scales and forklifts will be helpful for this role.
- Backloading requires employees to loading and unloading filters from forming lines and ovens
- Forming line requires employees to actually run the forming machines that are creating the main component of the products being produced.
- Tube turning operators run machines that size the product based on each work order's instructions and also unload the dust collector throughout the shift. Machine experience would be helpful in this role.
- Saw operators run large table saws that cut up to 200 pieces at a time based on each work order's instructions. Machine experience would be helpful in this role.

This is a rewarding work environment as our water filtration and purification technology serves industrial, residential, commercial, and municipal customers. Our products facilitate pure, filtered water on demand for critical functions ranging from foodservice to aquaculture. Our capabilities include making safe drinking water more accessible, treating and purifying water for reuse, and desalination. Our trusted brands offer a comprehensive line of compatible water filtration and purification products including pumps, filters, membranes, housings, and meters.

Full-time & Temp to Perm positions available. Salary: \$12.00 - \$15.00 /hr. depending on experience. Benefits eligible on the 1st of the month following date of FT hire, including sick & vacation pay plus 401k.

To apply for a position at Pentair please stop by the office at **47 Crosby Road, Dover NH 03820** between 9am - 4pm in order to pick up an application.

**\*\*Based on our availability, we may also interview you at that time. \*\***

**Employment is contingent on your completion and passing of a Drug screening, Physical exam and Background screening.**
