

Nonprofit Insurance Trust (NIT) Preferred Shop Network

NPIA, Inc. on behalf of the Nonprofit Insurance Trust and its' members, has implemented a Preferred Shop Network for vehicle repairs. These shops have agreed to specific criteria and rates implemented by NPIA, Inc. in order to reduce costs and expedite the claims handling process.

While you are not required to utilize a Preferred Shop, we would encourage you to do so whenever practical to help reduce costs for NIT and in turn its' insured members.

If there is not a Preferred Shop in your area or if you have a suggestion for an alternative shop feel free to email those suggestions to Andrew Johnson at ajohnson@npiainc.com.

BENEFITS OF USING A PREFERRED SHOP:

- Fast turnaround time:
- Less work for you
- Cost

PLEASE PROVIDE THE FOLLOWING INFORMATION WHEN SEEKING ESTIMATES/REPAIRS FROM SHOPS:

- Date of loss
- NIT policy number (and claim number if available)
- Year, make, model and last four digits of the vehicle identification number

Auto Glass Only Claims

City Auto Glass is our Preferred Shop for glass only claims throughout the state of Minnesota.

TO STREAMLINE THE PROCESS FOR GLASS ONLY CLAIMS:

- If the repair is for glass only, you do not need to submit a claim through the NIT website
- The insured member shall contact City Auto Glass at 1-888-552-4272 (all locations statewide), or another shop of their choosing and provide the shop with:
 - Date of loss
 - NIT policy number
 - Year, make, model and last four digits of the vehicle identification number
 - The specific glass damage that is to be repaired

THE SHOP WILL:

- Contact Nonprofit Insurance Trust to verify coverage on the vehicle and approve repairs
- Coordinate with the insured member to complete repairs
- Email or fax the invoice for repair directly to Nonprofit Insurance Trust for payment

If you have any questions regarding this program or the auto claims process please contact:
