

Flight Crew – First Officer

We are seeking a motivated First Officer to join the Iskwew Air. Iskwew Air currently operates 3 Piper Navajos, and we have our own AMO.

This position will begin with part-time flying responsibilities combined with administrative and customer service duties, with a planned transition to a full-time flying role. The ideal candidate will have a solid foundation in aviation knowledge alongside strong administrative and customer service skills.

Qualifications & Experience

- Canadian Commercial Pilots License with a Multi Engine Rating and current IFR
- Flight Instructor rating and experience is an asset
- Valid Transport Canada Class 1 Medical
- Strong verbal and written communication skills
- Adaptable, resourceful, and creative problem-solving skills
- Demonstrated high standards of professionalism in all work-related activities
- Legally entitled to work in Canada in accordance with relevant legislation and regulations
- Able to obtain a Restricted Area Identity Card (RAIC) within six months
- A safety mindset and a continuous improvement approach
- Mindful leadership, superb customer service skills, technical savvy, administrative strength, and a top-notch team attitude are key in the company and in this role

Reciprocity

- Pay commensurate with experience, education, skills
- Opportunities for personal & professional development
- A challenging, fun, and safety-focused environment
