## ABOUT TORONTO WALDORF SCHOOL

Now in its 51st year, TWS is a not-for-profit independent school located in Thornhill, Ontario. With students from 18-months to 18 years in age, the school was built by teachers and parents in the 1970's and is surrounded by 20 acres of green space. The values underlying the design of our campus, the teachers' unique insight into human development and the sophisticated integration of subjects in our curriculum, create an educational experience that inspires our students to evolve into confident, creative thinkers who are strongly connected to humanity and the environment. Almost 100% of our students get into the post-secondary program of their choice.
