October 2016

From our Founder...

We are expanding!

We are excited to announce that we are expanding by adding more independent sub-distributors in Central Florida!

We have been blessed by being given two new buildings to use for distribution— one in Osceola County, serving more of Central FL and one in Gaston County, serving North FL!!

Please pray for the finances to finish putting this all together.

In Fellowship,

~Mark

As a member of the Gideons, Mark, was happy to be able to assist in this year's Bible Blitz!! Bread of Life Fellowship housed and aided in distributing 200,000 bibles throughout Central Florida. Changed lives through distribution and one-on-one conversations are what the Gideons are about!

The Gideons International

Also...

We are collecting used bibles...Please consider donating any extra or used bibles you have. They can be dropped off here at the warehouse!

"What should we do then?" the crowd asked? John answered, "Anyone who has two shirts should share with the one who has none, and anyone who has food should do the same."

~ Luke 3:10-11

2016 FOOD FOR FAMILIES THANKSGIVING PROJECT

Bread of Life Fellowship, Inc. along with Publix Supermarkets and hundreds of local families and community groups consider Food for Families a part of their holiday tradition. This year, we will be helping over 1,200 families with more than 2,000 boxes of food.

Please consider taking a few hours of your holiday to help a family in need realize the blessings of Thanksgiving by being a part of this worthwhile cause. We encourage all volunteers to bring in canned goods to help fill up a bin!

WHEN: Wednesday, November 23
TIME: Beginning at 7:00 p.m.
Second Shift, Bread packing at 10p.m.

On Wednesday evening, volunteers set up the work area at Ocoee High School cafeteria; unload the food from Publix & local school food drives, then sort and pack boxes.
At ~10pm bread arrives and is sorted and boxed.

WHEN: Thursday, November 24
TIME: 8:00 a.m. until Delivered

On Thanksgiving morning, volunteer drivers line up in the bus loop to get maps, directions & boxes of food to deliver to each family's home. Then, the work area is cleaned up.
