

Definition of Terms

Construction: *Any technique is acceptable*

Includes, but is not limited to, applique, reverse applique, and piecing as well as embroidery, dyeing, embellishment, painting or any combination of these techniques.

Quilting: *Any technique is acceptable*

Includes any combination of hand and/or machine quilting. Tying and bar tacking are NOT acceptable for judged quilts, except where specifically admitted in category description.

Quilt

Two layers of fabric sandwiched and sewn together with an inner lining of batting. May be used as bedcovering or household ornament.

Entrant

Usually indicates the person or persons who make the quilt or quilt top entered in any category but may also be the person who enters a top made by someone else.

Award

A prize given to a quilt top as a result of a judge's evaluation of its merit.

Quilter

The person who stitches the layers of a quilt sandwich together.

Maker

The person responsible for making the quilt top.
