changing the way foster care begins

When children are removed from their homes out of concern for their safety, they are usually brought to a child welfare services office to await placement. These children often have nothing with them and are scared, lonely, hungry, and in dirty clothing. Isaiah 117 provides a comforting home where these children instead can be brought to wait – a place that is safe with friendly and loving volunteers who provide clean clothes, smiles, toys, and snuggly blankets.

# Classy Lassies

This fun and hungry group of ladies was started several years ago by our friend, the late Betty Leolich.

We meet the second Thursday of each month at a predetermined restaurant for good food, good freinds, and good conversation.

If you would like to join us, contact  
Chantal or Evie.

All ladies are welcome!

**The Hamblen County Car Club would like to thank all the sponsors for their generous assistance in helping this event to continue to grow.**

**We also would like to thank all of the cruise-in participants and spectators! You all have made it a resounding success.**

**Without everyone's support, none of this would be possible.**

## Car Stories

One thing you quickly learn when talking to an owner is that every car has a story.

A "Car Story" is a story where your car is a central character and may include where the car came from and how it was acquired. It can also include the process to get, or keep it running, and any restoration process.

There are no stories closer to the Hamblen County Car Club than the story of Jan Shelton's 1932 Ford Roadster. She and Johnny just completed the rebuild on the car prior to the formation of our club. In fact, it was after one of the early club meetings that the logo was being discussed. In particular, what car should be incorporated on that logo? Member Nicky Peters commented "you have the car", meaning Jan's '32 Ford. That decision still carries on today.

If one of the criterion for being considered classic car "royalty" is that it was published in a nationally recognized magazine, then we are among royalty. Jan's '32 Ford was published in the August 2001 edition of "Street Rodder – The Worlds Street Rodding Authority". In the article '4Pack Roadster-Revelry', it was featured with three other Ford Roadsters from around the country.

No wonder Johnny has a "preferred" parking space at our Cruise In's!

## Rod Benders

The Rod Benders car club was the largest car club in the area in the late 40's and early 50's. There are still a few surviving members in the area. In early 2022, Hamblen County Car Club (HCCC) President Dick Valentine had the idea to reward active club members with a special metal license plate that pays tribute to the old Rod Benders club. The new plate would contain the HCCC logo on it and connects our current club with our past.

Member Johnny Denton, a Tennessee license plate aficionado, located one of the original license plates in excellent condition and presented it to Dick for his birthday in September 2024.

## Meet Charter Member - Marie Yount

Marie Yount, and her husband Willie, were just riding around one Saturday night in 2002 when the cars, and Karaoke singer, in the East Morristown Ingles parking lot drew their attention. Richard McCollough had just started organizing Cruise Ins. It may have been coincidence or luck, but it was perfect timing as Willy just finished their 1964 Chevrolet C-10 pickup. They stopped in and ended up joining what was to be the Hamblen County Car Club.

Marie recalls that the club was really a social experience with fun runs, picnics, and special events like Holiday parties. At Cruise Ins' Willy, and his friend Gary Lamb, loved to walk around and talk with the people. Marie and Janice (Lamb) would sit on the "porch" and watch while the husbands acted like greeters.

The last few years have not been good, Willy passed away and the truck caught fire. Ownership of the truck has passed to the next generation and has been totally rebuilt it. The photos below were taken at the 2024 Winter Angel Expo v2.0 held in Cherokee park. Willie would be proud to see his old truck look so good.

Marie can still be found "on the porch" at Healthstar Physicians on any given Saturday night, watching the cars and the people, along with her friends Gary and Janice.
