Hamblen County Car Club Minutes

August 15, 2017

The Hamblen County Car Club met Tuesday, August 15, 2017 at the Golden Corral with President Gene Honeycutt presiding. There were 34 members present. Ray Campbell led the members in prayer.

New members, Jim and Row-Ann Brown, were recognized and welcomed to the club. They own a 1973 GTO.

The July minutes were approved after a motion was made by Don McGinnis and seconded by David Sawyer to accept them as mailed. Motion carried.

Janice Hawkins gave the treasurer's report. Billy Seals made a motion to accept. Larry Beede offered the second. Carried.

President's Remarks: Gene Honeycutt told members that he appreciates everyone's hard work during the cruise-ins.

Vice President's Remarks: Guy Leolich stated that volunteers are still needed to work the trailer.

Fun Run Coordinator: Theresa Blanken told members that the Taco John event was rained out and is rescheduled for Friday, August 18 from 5:00 – 9:00 p.m. There will also be a chili supper before Halloween at Don McGinnis' house on October 27 at 5:00 p.m. There will be a bonfire, and members can dress up for Halloween if they want.

Trailer Ads: Gene Honeycutt reported for Ted Kalagian that there were still four spaces available on the trailer for ads.

Winter Angel Car Show: Guy Leolich said the event is still looking good. Volunteers are encouraged to offer to help. He asked if anyone knows of any t-shirt sponsors or vendors that might want to participate. Fliers are available. Anyone going to other events should take fliers to distribute to help advertise the event.

Old Business: Since the announcements and the music at the cruise-ins cannot be heard easily, Paul McLain made a motion, seconded by Tom Brace to pay a maximum of \$200 to get someone to work on the sound system. Motion carried.

Juanita Reynolds made an announcement that the Good Shepherd Church will be having their annual Pumpkin Patch with all proceeds going to Kingswood Home for Children. Juanita asked everyone to buy their pumpkins there.

New Business: Gene Honeycutt announced the Board of Directors met and made proposed changes to the Charter. Gene read each proposed change. Larry Beede made a motion, seconded by Jack Hawkins to accept the changes. Motion carried.

The budget was presented to the club. Included: \$5,000 for the Winter Angel Expo. This is a loan which will be returned to the treasury as revenue for the event comes in. Other proposed budget items are \$2,000 to buy toys for 50 children at Christmas and \$500 each for ALPS, Food on Foot, Kingswood Home for Children, Senior Angel tree, and the Serenity House. After the \$5,000 is returned, expected expenses should total \$4,500. Jack Hawkins made a motion to accept the budget. Guy Leolich made the second. Motion carried.

Don McGinnis made a motion, second by Elmer Blanken to pay \$50 to Panther Springs UMC for use of their pavilion. Carried.

Announcements: Kramer Jewelry will post a weekly picture of a car on his website. Go by to get a picture of your car made. Heritage Day at Panther Creek Park is October 14; HCSAC show at WSCC on Sept 30; Cricket cell phone grand opening on August 26; Taco Johns on August 18. The Junior car club is trying to reorganize. Guy has been in touch with Chuck Carter. *Dues are due!*

Albert Combs and Ronnie Hopkins won the free dinners from Golden Corral. Betty Leolich made the motion to adjourn. Jack Hawkins voiced a second. Meeting adjourned.

Presidents letter:

Hello and Welcome to Fall. Well we all know it is not officially Fall yet but it sure does feel like it. Only two more months in our Cruise-In Season. I think the cruise ins have been real good this year and the location is just about perfect. I have heard very few complaints and the ones I have heard have been mostly from non-club members. We will be having our Drone fly-over on the 9th of September and the photographer will be walking around shooting still shots as well for our Winter Angel Show Commercial to be run by the Tribune. I have also been talking to the radio station and we should be making our spot for their advertising very soon. It will start in the middle of December and run till the day of the show. They will also be doing a remote broadcast at the show on Saturday.

I would like to see more attendance at our meetings. They are on the third Tuesday of each month, except December, at the Golden Coral. We have dinner at 6 and the meeting will be called to order at 7 and shouldn't last more than one hour with most lasting less than that. You are an important part of our club and it is very important that your voice is heard on the issues we discuss at our meetings. We also discuss and decide on upcoming events that our Fun Run Coordinator has planned for us. We have several new members and several of our past members have come back to the club. We welcome you to our membership.

I would like to thank everyone who has stepped up and taken leadership roles and especially those who have worked the trailer and those who have been diligently working on our upcoming Winter Angel Car Show. Guy and Dick have really moved forward on the planning of our show. I received the contacts for the use of the building and have signed and returned them to the college. Our flyers have been printed and are ready for distribution. I hope everyone who is going to a show anywhere will pick some up and take them for distribution. Fund Raising seems to be going very well to. To date we have enough pledged that should take care of the expenses of the show. I would also like to thank Ted who has worked very hard on the ads for our trailer.

I was informed today that Theresa's son Jimmy will be having some surgery on the 6th of September. Carol Long is doing much better as is Betty Leolich. I am sure there are others who have had sickness or other needs. Please remember to keep these in your thoughts and prayers. I also hope everyone has been keeping the people in Texas in your thoughts.

Gene Honeycutt

Our prayers are with the ones in the Wagon Train accident. Our friend Tim Goins and his wife as they were one of the first on the accident in North Carolina and the wagon train. They witness the accident and stayed with the grandson, who is now in critical condition. Anyone who has been in this situation knows how it stays with you and you will never forget.
