Hamblen County Car Club Minutes

March 20, 2018

The Hamblen County Car Club was called to order Tuesday, March 20, 2018 at the Golden Corral by President, Gene Honeycutt. Forty-one (41) members and two guests attended. Gene Honeycutt offered the opening prayer.

Guests: Lisa Grooms introduced an employee and a member of the board of directors from Serenity House. Both, Lora Murrell and Katherine Coats spoke to the group about their involvement with this agency, which provides an end-of-life home for low or no-cost. In the past four years, they have provided a hospice home for 145 people. They also sponsor Camp Hugs, which is a grief camp for children.

February minutes were approved after a motion by Guy Leolich and a second by Ted Kalagian. A treasurers' report was not available.

President's Remarks: Gene reminded members that the *antique auto* tag is not for everyday use and law enforcement folks are stopping cars to check.

He also reminded members of several upcoming events: Benefit for Judy Smith at Community Baptist Church (4/7), Witt Baptist Church Car Show and Gospel Singing (4/7), No Way Jose's cruise in (4/20), Butch Grooms Memorial Car Show to benefit the Serenity House (4/21), and the Kingswood Show (5/19). He said the cruise-ins begin on April 7 from 5:00-8:00, at the same place as last year between Burger King and Health Star.

The new debit card has been issued with a \$500 limit.

William Bailey gave details of the Butch Grooms Memorial Car Show. This will be in the Price Less Foods' parking lot on Saturday, April 21. Registration is from 9-12:00; judging at 12:00; and several trophies will be awarded at 2:30.

Vice President's Remarks: Guy Leolich encouraged members to visit the Hamblen County Car Club website often. More use will move the site to the top of the list. He is still trying to eliminate the older sites. Guy is already working on the Winter Angel Expo for 2019. There will be dash plaques for the first 100 cars and no Swap Meet.

Events Coordinator: Jean Malott said the Poker Run has been postponed due to expected inclement weather on the scheduled date. She is working on a club bulletin board.

Trailer Ads: Ted Kalagian reported that he sent letters out to those who currently have ads on the trailer. He has collected around \$500 and will reach out with reminders at the end of the month to those who have not renewed.

Old Business: Mr. Honeycutt encouraged members to talk to cruise-in participants about membership. We need a volunteer to distribute the magazines. Paul McLain will take them to doctor offices and hospitals one more time.

There is money in the budget allocated to the Serenity House. Mr. Honeycutt would like to see a memorial bench bought and placed in their garden spot with the remainder of the allotment going directly to the agency for their use.

Member shirts may be purchased with the car club logo. These shirts can be embroidered in Pigeon Forge or by Kathy Wolfe (423-733-4450).

All members received an Easter treat (Thanks Deedra and Jean). Many door prizes were drawn. The Golden Corral free dinner tickets were won by Judy Hopkins and Marie Yount. Meeting adjourned after a motion by Don McGinnis, seconded by Larry Beede.

Judy Hopkins, Secretary

President's Input

Well it's cruise-in time but I think somebody forgot to tell the weatherman. Calling for cold rain and maybe even some wet show for the 7th. Hopefully it will be better next week. Before I forget the Witt Baptist Church is another casualty of the weather. It has been postponed until June 2nd. In other news Jack is doing better with his rehab. Still in Nashville and will be for at least a few more weeks. Also, Robert Russell lost his sister this week. No formal arrangements at this time. The family has asked that donations be made to The Hamblen County Humane Society or a charity of our choice. We will talk about this donation at our meeting on the 17th. The weather forced the postponement of our poker run in March. It is being rescheduled and the date will be announced at our April Meeting. I was thrilled to death at the turnout for our March meeting. Pretty sure it was well over 50 in attendance. Lot can be accomplished when everyone is involved. My goal is to get so big we have to move out into a bigger space.

I have talked to Marie's sister and she has given me a real good price on some hats. I asked her about making 48 embroidered with our logo and to get 24 of them with the word Member embroidered on the back. The regular one will be \$10.00 each and the Member ones will be \$11.00. We can sell the regular ones for a small profit and the member ones at cost to or members. We will discuss this in April and you are welcome to come up to me at our cruise-ins and let me know what you think. Personally, I like the idea. We also need to talk about shirts. We need to decide whether to per sell them or just order them and then let members pick them up. Some have said that the club should pick up the tab on the Member hats and/or shirts and while I like that idea I also think it could bet pretty expensive. There is room for some profit to the general public, but I think the Member items should remain at cost.

WE have made some modifications to the trailer. Many have complained over the years about the noise the generator makes so we have installed a new system that will make no noise and need no fuel to run. It will only require the person who has the trailer to charge it before they bring it down for the cruise-in. The generator is still installed just in case it does not work but I have faith in Guy and Dick that it will be just fine, and we will own it. Not much more to add now but really looking forward to seeing everyone at the cruise-in and please make time for our April 17th meeting. It is very important to get your opinion on what we do.

See you down the road;

Gene
