The Hamblen County Car Club was called to order Tuesday, June 19, 2018 at the Golden Corral by President, Gene Honeycutt. Forty-one members and two guests attended. An opening prayer was offered by Gene Honeycutt. Guests, Glenda Pike from Cricket Wireless and Jessica Bailey from Unity Tech, were introduced. Ms. Pike spoke about the upcoming block party at Merchants Green on June 23. She encouraged members to attend and participate.

Three new members were introduced: Bill Moore, Frank James and Beryl Dean Hicks.

May minutes were approved after a motion from Bill Seals, seconded by Gary Lamb. Janice Hawkins gave the financial report. May income totaled \$535; expenses were \$252.02 which leaves an ending balance of \$18,006.96. The report was accepted with a motion from Jim Willis, seconded by Tom Brace.

President's Remarks: Gene Honeycutt updated members of several things and read a card of thanks from Bill Andrews. He showed clothing apparel that can be ordered or bought. All member caps have been sold, but 12 more are being embroidered with the work "member" and should be ready soon. Shirts are available to order in many styles, sizes, and colors. Please see Marie Yount to order. Shirts are \$18, or \$20 with a pocket. The 2xl and larger sizes are \$3 more.

Vice President's Remarks: Guy Leolich voiced appreciation for the cruise-in turnouts. The Winter Angel Expo will have a sponsor advertisement catalog next year similar to the one the *Mossy Creek Cruzers* publish. Anyone knowing of a business that might purchase an ad should contact Guy. Betty and Guy are hosting a July 4th celebration at their house. Bring a chair and plan to have lots of fun.

Events Coordinator: Jean Malott asked that anyone who had not signed up for the picnic on Friday, June 22 to please do so. She distributed a list of several upcoming events, and asked members to check the ones they wanted to attend. There are several **Drive and Dine** events mostly on Thursday evenings, a car museum visit in Greenville, and a movie matinee event. Sounds like fun!

Trailer Ads: Ted Kalagain reported that we have seven empty spots on the trailer mostly due to failing businesses or businesses that are changing owners/names. Glenda Pike from Cricket said they will purchase one of the vacant spaces.

Other: We have 151 members. Gene mentioned how appreciative he is of the meeting attendance. He also said he was asked by the Bean Station mayor to announce the date of their fall festival scheduled for October 20, 2018. Members were discouraged from sharing other members' addresses or phone numbers to non-members.

New Business: President Honeycutt asked for any additional nominations for officers. None were offered in the meeting. Jack Hawkins made a motion to accept the nominations from the last meeting. David Sawyer made a second to the motion. Motion carried. Therefore, officers for 2018-2019 are:

President – Gene Honeycutt

Vice President – Guy Leolich

Secretary – Judy Hopkins

Treasurer- Janice Hawkins

Lucky Golden Corral dinner winners were Theresa Blanken and Diane Sawyer.

Meeting adjourned after a motion by Wayne Musick which was seconded by Ted Kalagain.

Respectfully submitted by Judy Hopkins, Secretary

Presidents July Newsletter Input

Well July is here, and it looks like Summer has officially arrived. I want everyone to be especially careful in this heat. Be sure and hydrate well and spend as much time as possible in the shade. I also want to personally thank everyone for entrusting me with the presidency of the club for one more year. I feel like the officers we have now are doing a wonderful job and there is still much to be accomplished in our club. We will be having ad Board of Directors meeting very soon to discuss and come up with a workable budget for the upcoming year. Hopefully this budget will be ready to present to the membership at our July 17th meeting for a vote.

The Winter Angel Committee has started working on selling ads for our Booklet which we hope to be starting to hand out everywhere we go starting in mid to late August. To date we have sold enough adds to take care of the Expo Center cost for Saturday. We still need to sell enough to take care of Sunday and other expenses for the show to be profitable. Jeff Marsh is back with us for the Model Show and is working very hard on that part of our show. To date he has already gotten many people who are going to participate showing models as well as vendors for that part of the show. If anyone has a recommendation for contacts to sell adds to please let us know or better still get a flyer from one of us and make the contact yourself. If each person in the club would approach and sell one add to someone we would have the entire show paid for with profit in hand when we open the doors on Jan 19th. That may seem like a long way off but believe me it will be here before we know it.

I want to thank Jean and all the people who pitched in to make our picnic such a huge success. I think it is about the best menu of dishes we have ever had since I have been in the club and attending club picnics. Jean also has several things planned for us for the next two months. If you don't have a schedule of her planned events, contact her and I am sure she will be glad to give you one.

We still have several people in our club who have family and/or themselves who are sick or shut in. Please keep these people in your thoughts and prayers. This club is only as good as we make it. Every one of you have your own ideas of things we should be doing or thinking about. Please share these ideas with us so we can make adjustments to include them in our plans. I was overwhelmed with the turnout for our June meeting. It was wonderful to see so much participation. If I am not mistaken there were more than 60 people at the meeting. That is more than I have ever seen at a meeting before. Please keep it up.

See you all down the road!!!!

Gene
