Presidents September Newsletter Input

Well only two more months of Cruise-ins and we will be done for the year. Doesn't seem possible that we are this close to fall but we are. I think that Jean has some real neat things for us to do in the next couple of months. We have been invited to participate in a Trunk or Treat on October the 27th. They are having bounce houses for the children and it sounds like a wonderful time. More will be coming on this at our September 18th meeting.

Real happy with the progress that the Winter Angel 2019 is coming along. Guy has worked very hard on it for us. He has the committee motivated to make it the best show yet. Everyone is working very hard. Guy is also working on getting some dates together for some businesses that have requested for us to come and take part in cruise-ins at their location. He will have more about that at our meeting.

Don't forget that it is time for dues to be paid for the upcoming year. When you do pay your dues be sure to either pay with a check or get a receipt, so Janice can keep up with who has paid and who has not.

We have the same space at Centenary for our Christmas dinner and we have someone to cater the dinner. Be sure to start thinking about whether you are coming or not and let Jean know. We have to turn a number to the caterer by December 1st. You might say that is three months away but actually it's just around the corner and if we do not start thinking about it now it won't come out right. I am going to meet with the Director over at Kingwood very soon to finalize a date and arrangements for our Christmas Party over there for the children. More will come later on that.

We have several of our members who are either dealing with health issues themselves or in their families. Please keep these concerns in your thoughts and prayers. See you down the road.

Gene
