*****Christmas Party 2018*****

For Sale - 1971 Ford Mustang
Call Guy @ (423) 258-2255

351 Cleveland motor, Automatic transmission

A solid driving car that like to move out. This car has a LOT of legroom for you and your passengers. The drivetrain, front-end, suspension and fuel system has been completely gone over and is rock solid. This car likes 93 Octane non-ethanol gas with a bit of lead additive in it. If you like a unique looking car that is easy to get parts and upgrades for, this is the car for you!

Hamblen county car club organized in the summer of 2002. We are a non-profit corporation dedicated to the promotion of a safe, family-oriented enjoyment of Classic and Custom cars and trucks through club camaraderie, monthly meetings and scheduled special events. HCCC meets on the third Tuesday of each month, except December, at Golden Corral in Morristown. Come at 6:00PM for dinner and our meetings begin at 7:00PM. Club membership is open to persons 16 or older who are interested in classic cars and trucks. Dues are \$25.00 annually, payable on Sept 1st. Cruise "N"ews is the official publication of the HCCC and is printed and distributed electronically monthly. All news articles, photographs, and items of interest are welcome for consideration for publication, subject to editing. Submission deadlines the first Tuesday of each month. If you would like to receive a newsletter by mail or email, please let me know. Thank you, Evie Valentine (evelynvalentine57@gmail.com)

Birthdays this month!!!!!!!

Presidents January newsletter input

January is upon us and **IT'S SHOW TIME**. I hope everyone had a wonderful Christmas and a most Happy New Year. Now it's time to get to work as Winter Angel 2019 is only two and a half weeks away. It is time to start thinking about what you are going to do to contribute to our efforts to have the best show ever. The committee has worked very hard to get everything ready. I really appreciate the hard work that Guy and Dick have done. Their efforts have gotten everything lined up for the show. We had a show committee meeting on Thursday January 3rd at 1:00 PM. It was down at Dick and Evie's office down in Talbott. We will also have our regular club meeting on January 15th. This will be just 3 days before the show. We need everyone to be sure to come out and help us make the final arrangements and job assignments for the show. There are some people who have always stepped up and done what was needed in the past who cannot be with us this year due to illness and other situations in their families. Those shoes will have to be filled and those assignments will be made at the Jan 15th meeting. I have talked to the people at The Community Service Office and we will have plenty of help from them. They will give us the people we need to help get set up and help during the actual show itself. We still have several people who are sick and shut in that we need to keep in our thoughts and prayers. Elmer is still recuperating at home as is Leroy Self who hasn't been well either. Merle Myers has been in the hospital also and I am sure there are others whom we need to keep in our Thoughts.

Several people have asked me where we would be for our Cruise-ins this year. I have checked, and we are still going to be in the same place again this year.

I want to talk just a minute about our Dinner and Party we had for Kingswood. Everyone who was there agreed that it is one of the best things we have ever done. The children had a wonderful time and were so appreciative of the gift cards we gave them. Good job to all who made this thing happen.

I also want to complement Jean Mallot for all her hard work planning our events during 2018. She did a wonderful job and I think everyone who participated in the events had a good time. I look forward to more of the same in 2019 as I am sure she is already working on things for us to do. See you all on the 15th and at the show on the 19th and 20th. Please keep checking your email and our web site; www.hamblenccc.com along with our Facebook page for updates on our show and on upcoming events.

Gene
