We Take A Closer Look!

Servicing Berks and Lehigh Counties

Berks Realty Services has been providing outstanding home inspection services since 1989. We are a full service inspection company. We provide complete building inspections, wood destroying insect inspections, structural inspections, radon testing, and water testing. We also do commercial building inspections. The inspectors are Jeff and Ron Zimmerman. Jeff has been involved in the construction and home inspection industry for over 17 years. Ron is a professional Civil/Structural Engineer with over 35 years of engineering, construction, and home inspection experience. Our team takes pride in providing the best inspection services possible at competitive prices.

Our inspectors are recognized by the American Society of Home Inspectors. The industry mark of excellence!
Certified - Licensed - Insured
