Dear 4-H Supporter,

Thank you for your continued support of the Dearborn County 4-H program. Your past participation has strengthened the impact that 4-H has on the development of our youth. We are reaching out to our supporters with sponsorship opportunities for our 2022 4-H fair awards (trophy, plaques, banners, etc). These competitive awards are a vital part in the drive that motivates our youth to "Make the Best Better". The Dearborn County Fair (June 20-25, 2022) will showcase the efforts and endeavors of over 350 Dearborn County 4-H youth.

If you would like to sponsor a specific livestock species or a specific project, please indicate that below. We will do our best to accommodate all requests.

On behalf of the Dearborn County 4-H program, **Thank You** for your continued support of the 4-H youth in our community.

Sincerely,

Doug Bischoff, Treasurer  
Dearborn County 4-H Association
