The Earth dog Breeder Hall of Fame Award is intended to reward those breeders of the PRT who breed with the intent of keeping the dog true to its roots. Breeders who have bred dogs that have demonstrated the instinct and conformation necessary to work below ground by earning PRTAA earthwork medals or AKC earth dog titles will earn the award when they have reached a level of excellence through points accumulated by the dogs they have bred.

### **Points Accumulation**

The logo for the Parson Russell Terrier Association of America is displayed in a light blue rectangular box. The text "Parson Russell Terrier" is on the top line and "Association of America" is on the bottom line, both in a yellow, serif font.

#### **Earthwork Titles**

2nd Working Certificate = 4 Points

Total of 3 Working Certificates to different quarry = 8 Points

#### **Earth Dog Titles**

The breeder who has bred dogs whose total points equal 35 or more will be awarded this honor. List below the name of the dog and the highest title earned. In the case of a dog who has both Earth dog and Earthwork points list each separately. Please include documentation.
