

We are in the middle of troubling times. Everyone is pulling loved ones close, stocking their homes with food and necessities, doing everything they can to pay their bills in the foreseeable future. We are doing the same for ourselves and our families. It is more important than ever that we come together as a community.

Thames River Family Program is a vital part of our community. The young families we serve are some of the hardest hit during these times. Already low-income earners, many are losing their hourly wages, childcare, food, transportation and more. Without our program, many of our residents are at imminent risk of being homeless once again.

**Our Spring Luncheon scheduled for May 3 has to be postponed. As our largest fundraiser every year, this is a big hit to our program and families. If, after your immediate needs are met, you are fortunate enough to have something left over, please consider giving to this program.**

**Your gift will help us to continue to provide shelter and services. Let's work together to keep our community intact, with everyone having a safe place to call home. Please give what you can today.**

**GIVE TODAY at [trfp.org](http://trfp.org)**

*Together ... Creating Community*
