Pro-rated Late Start Tuition:

Your tuition may be prorated if you start late. If this is the case, you will receive a pro-rated tuition invoice and payment plan. You will be able to choose one of the payment plans above. Your first payment will put you on schedule with our payment plan. Pro-rated tuition will include an additional administrative fee of \$25.

Early Withdrawal:

Tuition may be prorated for early withdrawal from MVYSO. Not attending classes or rehearsals does NOT constitute a formal withdrawal. Without a formal withdrawal, you will continue to be billed until your formal withdrawal is received or the season ends, whichever comes first. Prorated tuition for early withdrawal will include an administrative fee of \$25 and will include 100% of the month the formal withdrawal is received regardless of the day of the month it was received. Formal withdrawal must include: An email to the Executive Director (elisa@mvysso.org) stating the reason for withdrawal and plans, if any, for return to MVYSO. This email will be forwarded to your conductor.

Fundraising:

The Maple Valley Youth Symphony Orchestra is a non-profit organization. We work to keep our tuition low and our quality high and provide tuition assistance to students in need. When creating our budget, we charge less than half of what it costs per student to be a part of MVYSO. The remainder of our budget comes from donations, fundraising events such as our gala, and grants. Fundraising is not a required part of MVYSO. It is, however, encouraged so that we can continue to keep our tuition low and our quality high.

Unless otherwise agreed upon, all regular season tuition should be paid by May 1 and all tuition payments should be current before signing up for trips, camp, or the next season.

I have read and understand my financial responsibility to MVYSO,

Signed
