MAKE A DIFFERENCE IN THE LIVES OF YOUNG MUSICIANS

The Maple Valley Youth Symphony Orchestra is committed to making music education an accessible and healthy part of every interested student's life. We believe in helping the student balance musical, social, and personal growth. We believe that involvement in music education teaches valuable and marketable life skills. Our goal is for our program to make a positive difference in the lives of each of our participants.

Your generous item or monetary donation will help MVYSO continue our tradition of never turning a student away based on inability to pay tuition, Jam Club - our program for students with special needs, and maintain our high quality staff of teachers. Our conductors and individual instrument staff love what they do and it is reflected in the attitude and performance of our young musicians.

"With your support we can continue make a difference in the lives of young musicians - helping them excel musically, connect socially and grow personally. We look forward to partnering with you!" - *Elisa Lewis, Executive Director*
