Points for high point classes will be awarded as follows: High Point Award - 15 points, Runner up High Point - 12 points.

When there is a tie the rules are as follows: High Point award will be given to the competitor who has won the most championships; if the tie remains the Ruby championships will be counted, in the event that a tie still occurs the winner will be deemed by the competitor who has won the most first place awards where there is more than 5 competitors.

MEET AND GREET

On Saturday afternoon during the Purebred classes, children and families from local pony clubs and schools are invited to come and meet and greet the Arabian horse. We encourage handlers when they are waiting for the presentation of the awards to stand against the barrier for the families to interact with yourself and the horses.
